Ryan Gets \$4.75 Million More For Drone Target Production

at the firm's annual stockhold-er's meeting Tuesday. The additional procurement

will support a recently announced \$7,373,496 production contract which assures continued manufacture of the Q-2C targets through 1963. The Q-2C drone is the world's m st widely used free-flying jet target.

THE NEW business calls for augmentation equipment, val-ued at approximately \$3.25 million, including Ryan-developed traveling wave tube sys tems which augment radar sig

Church Youth Leaders End Trip to Snow

Youth leaders of Torrance venth-day Adventist Church, 1610 Acacia Ave., spent the weekend of March 16-18 in the snow-packed San Bernardino Mountains of Southern California. The group congregated for a three-day church youth lead-ership conference at Cedar Falls Camp, a 6,000-foot Ad-ventist youth camp some 25 miles from Redlands.

Attending the session from Torrance Adventist Church were John Dillon, 4713 Laurette St., Torrance, director of the Pathfinder Youth Organiz-ation, and Richard Lavender, 15109 Gerkin St., Lawndale, associate director.

AT THE conference the local youth leaders studied all phases of leadership for the Adventist-sponsored "Pathfinder" and "Missionary Volunteer" youth programs.

On Saturday, teaders will attend worship services at 11 a.m., at which Miller Brockett, Glendale. Adventist youth discountered to the service of the service of the services at 11 a.m., at which Miller Brockett, Glendale. Adventist youth discountered to the services at 11 a.m., at which Miller Brockett, Glendale.

Glendale, Adventist youth di-rector for the states of Califor-Arizona, Utah, Nevada and Waii, will present the ser-

. . .

AT OTHER sessions of the AT OTHER sessions of the conference southland and west coast youth leaders of the Seventh-day Adventist Church will present new youth leadership techniques. William Henry, Associate Youth Director of the Southern California.

tor of the Southern California Conference of Seventh-day Adventist Churches will speak at the Torrance church at 11 a.m. "We believe this training conference will provide greater opportunity for enjoyment and knowledge to teen-age and younger youth of the Torrance Seventh - day Adventist Church," said John Dillon. Pathfinder director.

Plans for New Bridge Disclosed

Supervisor Burton W. Chace has announced approval by county supervisors of a two-way agreement for construc-tion of a new bridge at Wil-mington Avenue and 223rd

The pact was worked out by rood Control District Chief Engineer M. E. Salsbury and County Road Commissioner N.

Templin. Under terms of the agree ment, the road department will construct for the district a new bridge at the point where Wil-mington Avenue and 223rd Street span Dominguez Chan-nel, Chace said.

The road department will pay for any additional roadway pay for any additional roadway facilities to be included in the construction contract and will handle operation and maintenance of the completed bridge, approaches, and street drainage facilities.

Supervisor Chace said the Pland Control District will de

Flood Control District will de-posit with the road department \$393,785, the estimated cost of

the new bridge structure.

The work is being undertaken in connection with the district's improvement pro gram for Dominguez Channel, and 18-mile watercourse run-ning from Inglewood to an out-

let in San Pedro Bay.
Supervisors recently awarded a \$6,506,215 contract callfor improvement of the annel from Henry Ford Avenue to Wilmington Avenue. Chace added
